A/DDS reported on the commendatory letter from the Army War College on [redacted]. A/DDS also noted the Pathet Lao capture of a Bird & Sons pilot and aircraft at a small operational site in Laos. DDCI asked for a report recapping this incident and listing Americans being held by the Pathet Lao.

A/DDI suggested that DCI and DDCI at some appropriate time pay a visit to [redacted].

DDCI queried the status of reporting from the station and Embassy in [redacted] and was told that the reporting was quite good.

DDCI asked for a check and assurance that the station and Embassy in [redacted] is reporting fully and adequately on the situation there. This led
